

-
- The diagram consists of three horizontal lines extending from the left edge of a white rectangular area towards the right. Each line starts with a small colored dot on the left edge. The top line is orange and is labeled 'Pole spadu'. The middle line is black and is labeled 'Margines'. The bottom line is yellow and is labeled 'Pole bezpieczne'. The labels are positioned to the right of the lines. The entire diagram is enclosed in a thin black border.
- Pole spadu
 - Margines
 - Pole bezpieczne
